

George T. Stagg

65.45%

The fourth limited release Stagg in as many years. While there's no age statement on the bottle, this one is 16 years old. And in the same vein as its three predecessors, this Stagg is an extremely seamless affair. What impresses me most about the annual Stagg releases is the whiskey's incredible drinkability at remarkably high alcohol levels. Be stingy when adding water to this whiskey to appreciate its soothingly smooth, oily texture and lovely notes of maple syrup, vanilla cream, dried corn, candied fruit, polished oak, supple leather, pencil shavings, and subtle mint.
