French Oak Single Malt
(Barrel #15974)**

The nose shows glorious maturity, with tropical fruits, blueberry, concord grape jelly, and pineapple soda, all mingled with wood spice, dried chile, and smoked meat.

Excellent consistency into the palate, which benefits from water to tame oak tannins; juicy pineapple, guava, papaya, jackfruit, and hibiscus tea brighten up cocoa powder and chile flavors.

It finishes floral and fruity, with persistent chili, chocolate, and cigar notes. Multilayered and rewarding.
