

Bowmore 18 year old
43%

This 18 year old is aged in a mix of bourbon barrels and oloroso sherry casks. The nose is redolent of a damped-down bonfire, with stewed fruit, wood spice, and pipe tobacco. There are red berries, subtle peat, a hint of iodine, and soft oak on the complex palate. The finish yields more tobacco, oak, rich peat, and spicy dark chocolate.
