Lagavulin 16 year old

43%

This has been Lagavulin's principal expression for more than 30 years. Iodine, rich peat, and caramel on the early nose, with sherry, sea salt, and charcuterie. The oily, briny palate offers peat and a medicinal note, along with black tea, Seville orange, toffee, cinnamon, and a hint of smoked fish. Peat embers and hot tar in the lengthy, spicy finish. Deeply satisfying!

—Vol. 29, #1
