Bunnahabhain Toiteach A Dhà

46.3%

Toiteach A Dhà means 'smoky two' in Gaelic and follows the previously released Toiteach. The nose opens with aromatic smoke and brine, while red berries, caramel, nutmeg, and cloves develop. Significantly greater sherry wood influence on the palate compared to the last version, plus Jaffa oranges, pipe tobacco, nougat, cloves, black pepper, and smoked fish. Medium to long in the finish, with drying sherry, oak, pepper, salt, and dark chocolate.
