Finishing Series: Stave
Profile RC6 Kentucky
Straight Bourbon (2019
Release)**

54.1%

An impressive nose of cedar cigar box, sweet cornbread crusts, leathery oak, and sweeping vanilla introduce this decadent whiskey.

On the palate, the prolific oak offers lots of tobacco, dark chocolate, and sassafras draped over sweet dark berries and coupled with bold baking spices.

Coffee, charred oak, and more bitter chocolate linger long on the finish. Water serves well to tame the heat. Finished with the addition of ten toasted RC6-profile staves in the barrel.
