60.15%

A pleasantly oily nose, rich with botanical notes, orange peel, black licorice straps, herbs, vanilla frosting, and macaroons. The palate is sweet, with tropical notes of pineapple and mango, grapefruit, dried apricots, and gentle spice. A lengthy finish offers lemon cream pie, vanilla cream, light pepper, and tobacco, ending with a hint of bitter chocolate. A very unusual bourbon, divisive within our tasting panel, but also very unique, balanced, and flavorful.
