

**New Riff Kentucky  
Straight Single Barrel  
Rye (No. 15-5356)**

**58.2%**

This presents a pleasant nose of fresh-baked muffins, honey-dipped apples, powdered sugar, raisin bread, baking spice, and cooked black cherries. Big and spicy, but smooth on the palate, with flavors of dark fruit and bitter chocolate, grape jam, blackcurrants, herbs, cola, and dark berries. The finish offers richness and length, with vanilla notes, spice, and freshly baked apple pie. This is a big, solid whiskey, beautifully structured, and carries its proof superbly.
