Cask Strength (Batch  
A)**

**58.6%**

Prominent red apple, tropical fruits, pot still spices, and oloroso sherry notes; this shows great balance. The spices are powerful, with a roasted aroma like a crooked burnt match. The palate is gripped by the high alcohol as pepper and clove break open over the tongue into a bed of red apple, baked citrus, and caramel.

Unquenchable layers of flavor usher in a likable, bubble gum finish. (252 bottles)
