

Jameson Triple Triple 40%

Named because it's triple-distilled and matured in sherry, bourbon, and malaga casks, this has a syrupy, fruity sweetness with notes of red cherry, green apple, pear, peeled clementine, vanilla toffee, and a generous helping of pot still spiciness. Orange and lemon segments, red apple, caramel, Jell-O cubes tossed in powdered sugar, and background spices make this sweeter and fruitier than regular Jameson, though the apple doesn't fall far from the tree.
