

**Arbikie Highland Rye
Single Grain (2020
Release)**

46%

Distiller Kirsty Black selected four casks laid down in 2015, made from rye grown on the Arbikie estate. The nose displays greater depth and fruit than the first (2018) release, with cinnamon, nutmeg, cocoa, dates, dried apricots, orange oil, and mango.

Chocolate-covered peanuts, walnut, and cocoa on the palate, with peppery spices, raisin, date, and crème brûlée, then a dry finish of dark chocolate cookies, praline, and further spice. (1,220 bottles)
