Butter pecan ice cream, peanuts in the shell, oily grain, milk chocolate, cooked orange, cherry tart, and blueberries on the nose. The palate is spiced, nutty, and chewy, with milk chocolate, orange soda, cherry cough drop, baking spice, brown sugar, a hint of eucalyptus, and loads of peanuts. More rich spice, chocolate, and fruit on the finish, along with peanut butter, spearmint, and generous oak. Not a hair out of place.
