The nose offers notes of leather, oak, chocolate, blackberry, and baking spice. The mouthfeel is smooth, but with heat and power, as well as rich flavors of honey, cinnamon, blackberry tart, bitter chocolate, roasted peanuts, and leather. On the finish come playful flavors of baking spice, cherry tart, more blackberry, tobacco, and white pepper. An excellent blend of spice and chocolate with playful berry notes—rich, powerful, and delicate all at once. (2,500 bottles)
