Kentucky Son Straight
Bourbon**

45%

Rich aromas of marzipan, black tea, blackberry, cherry, chocolate, brown sugar, and tobacco leaves.

The palate is chewy, with oak char, black tea, roasted nuts, semi-sweet chocolate, root beer spices, ginger, red apple, and mint; water brings out cinnamon and pecans. It shows vivaciousness into the finish, with more oak char, mint, black pepper, and chocolate-covered almonds.
