

**Wood's 2 year old
Alpine Rye (Batch 16)**

49%

From Colorado-based Wood's High Mountain Distillery. A nose of apple, brown sugar, and blackcurrant, set against jalapeño spice and smoke. The palate offers flavors of cinnamon and burnt espresso beans, with an alluring smoky bitterness and notes of jalapeño, smoked chiles, and black pepper. On the finish, dried dark fruits and bitter chocolate emerge, with a blast of pepper at the end. Rich, brawny, and assertive, but also supple and well integrated.
