

Old Overholt Straight Rye 43%

Sweet cherries, bubble gum, and fresh blueberry on the nose, along with nougat, honey-roasted peanuts, and milk chocolate. The palate has flavors of clove-studded orange, spice, and the chewed end of a pencil. It's light-bodied and verges on thin when water is added, so be judicious. The finish is gentle, with peppery oak, cinnamon, and espresso bean. This is a new higher proof and the whiskey is now non-chill filtered, so don't be surprised by a little haze if you add water or ice.
