#2 Oatmeal Stout

Tennessee Whiskey
(Selection No. 005)**

An herbal, lightly malty nose starts with notes of sweet barrel char, cherry hard candy, raspberry pastilles, and a hint of green banana. The palate is rich, with flavors of chocolate and burnt espresso beans, bitter orange, pepper spice, and burnt almonds. The lengthy finish has notes of candied raspberries riding atop some deeper notes of allspice and pepper. Balanced and fruity overtones throughout, anchored by earthiness and spice underneath.
