

**Westward Oregon Stout
Cask-Finished American
Single Malt**

45%

Tropical and floral on the nose, with kiwi, mango, hibiscus, coconut cream, and pistachio and almond halva; add water and a big burst of honeysuckle blooms.

There are more tropical notes on the palate: melon, guava, pineapple, and Juicy Fruit, as well as almond, coffee ice cream, milk chocolate, and spice. The mouthfeel is robust, becoming mouthwatering on the finish, which is oak-led but balanced with floral hop character.
