

**The Whistler Double
Oaked Blended Irish
Whiskey**

40%

Sweetness and richness were my first impressions of this sourced whiskey blended at Boann Distillery, and it's the oloroso sherry finish that's made all the difference. Apple, barley sugar, aromatic spices, baked citrus, cherry, and dried apricot against a backbone of grain. Vanilla fudge, baked fruit desserts, and apple, it's rich, smooth, and creamy with swirling spices before returning to a finish of vanilla, spice, and dried apple.
