

Benromach 10 year old **43%**

This expression was distilled from malt peated to 12 to 14 ppm, and aged for 9 years in 80% bourbon and 20% sherry casks before a final year in more sherry casks. Sweet smoke on the early nose, with malt, vanilla, quite dry sherry, apple, and toffee. Smoky barley, vanilla, subtle sherry, and light honey on the palate. Peaches, ginger, and woodsmoke on the medium-length finish. Very accomplished. *Editors' Choice*
