A whole lotta beach: oyster shells, brine, vanilla saltwater taffy, and bonfire, plus fresh coconut shavings, jasmine, and freesia.

Oily in the mouth, it's drying without water, highlighting salinity, smoke, cigar wrapper, lemon oil, and Jordan almonds. With water, lemon, vanilla taffy, and mouth-puckering saline; the smoke is less overt. It finishes clean, sweet, and simple, with grilled lemon and lingering smoke.

(298 bottles; U.S. exclusive)
