

**Larceny Barrel Proof  
Kentucky Straight  
Bourbon (Batch B520)**

**61.1%**

Larceny's barrel proof expression, released in three batches annually (January, May, and September) is a treat worth waiting for. A fragrant herbal nose offers notes of fennel, dark chocolate, peppermint, and light coconut. The palate is notably smooth, with flavors of chocolate, cooked dark fruit, black pepper, and generous spice, all underpinned by balanced oak. Water smooths it out even more, bringing out candied orange, pepper spice, and bitter chocolate.
