

Daviess County Kentucky Straight Bourbon

48%

A revival brand from Lux Row Distillers' owner Luxco, and part of a trio that also features a cabernet cask-finished bourbon and another finished in new toasted French oak casks. This one is herbal and earthy on the nose, with a light note of citrus. The palate is delicate, with flavors of vanilla cream, cola, and raspberry. Well-balanced and smooth on the finish, ending with pleasant notes of spice.
