Bond Rye (Batch 1)**

50%

Fragrant and inviting on the nose, with a juxtaposition of floral and fruit notes—rose petals, fresh cherries—then saddle leather, spice, mint oil, tea leaves, and almonds. Those aromas are echoed on the palate's robust Gobstopper of flavors: dark chocolate-covered cherries, cinnamon, maple syrup, Italian plums, walnuts, and undertones of mint. More dark chocolate, mint, and almonds on the finish, which has remarkable length. Water is transformative, bringing out more fruit, but with or without it, this is an outstanding whiskey.
