

## **Old Overholt 11 year old Straight Rye**

**46.3%**

The grain shows itself richly on the nose, with baking spice, peppermint stick, and nutty aromas; with time, candied fruit notes emerge. They reappear on the palate, especially after adding a few drops of water, as cherry skins and grape jelly. There's also peppermint, cocoa powder, roasted walnuts, chicory, and black pepper. The finish veers toward bitterness, with dark chocolate and coffee bean, but retains a peppermint verve.
