

## **Spirit of Yorkshire Filey Bay Second Release**

**46%**

Spirit of Yorkshire Distillery has two Forsyths pot stills and a four-plate copper column, giving them plenty of options. An encouraging step toward their flagship single malt, this lemon-pale dram evokes aromas of lemon, herb gardens, clotted cream, marshmallow, and a little vanilla. It's sweet as candy, with flavors of sugared almonds, Sweethearts, butter icing, candied lemon peel, pancakes, and a finish of peppery arugula leaves. (6,000 bottles) £55
