

**Barrell Private Release
Sicilian Amaro Cask-
Finished Kentucky
Whiskey (Batch No.
AH05)**

61.15%

The unusual cask finish lends a minty herbal note throughout, from the nose—which is honeyed and sweet, also showcasing milk chocolate, peanuts, candy apple, maple syrup, and a whiff of licorice—to the palate and finish.

Overall, this serves as a great example of the importance of texture in whiskey; the mouthfeel is oleaginous and almost fatty, gliding over the palate and shedding flavors of chocolate-covered cherry, white pepper, gingerbread, and roasted walnuts.

The finish is zingy with ginger, white pepper, and tingling peppermint, buttressed by bittersweet mocha, cherry, and dark grapes.
