

**Big Peat Christmas  
(2020 Edition)**

**53.1%**

This is a spicy prospect, with pepper, lemon bonbons, and dense peat smoke, though the toffee and sweet lemon are well-balanced against the smoke.

Sweet lemon meringue pie, candied peel, and a twin assault of smoke and clove-led spices on the palate, though the sweetness mounts a fight back. Great crescendo of flavor as Big Peat tries to show he is the perfect house guest for the holidays. (900 bottles for U.S.)
