

**Bardstown Bourbon Co.
Copper & Kings Spanish
Oloroso Sherry Cask-
Finished**

50%

From Bardstown Bourbon Co.'s very creative Collaborative Series—this one finished in oloroso sherry casks used by Louisville's Copper & Kings to age its brandy. Mocha, oak char, roasted coffee beans, grilled herbs, leather, orange peel, and dried raspberries on the nose. The palate melds baked apple, more herbs, grilled meats, and pleasant oak.

Raspberry and orange ride atop a bed of spice, bitter chocolate, and coffee to the finish.
