

Dogfish Head Let's Get Lost

51%

Perfumed with orange blossoms and dripping with nectar, the nose also has watermelon, pistachio pudding, coconut, vanilla bean, and apple-scented tobacco; new aromas reveal themselves with every sniff. Tropical fruit mingles with dried chiles, cocoa powder, coffee bean, barrel char, cinnamon, and jalapeños on the palate. The finish has good length, highlighting chile-chocolate, coffee bean, charred oak, and grilled pineapple. Warming and complex, with good development, though it never feels heavy.
