

**Method & Madness
Virgin Spanish Oak-
Finished**

46%

Finely nuanced grain whiskey showing the light sweetness of honey on toast and golden syrup, with wood spices, peanut, and oak shavings. Rich mouthfeel with an enduring intensity of flavors of glazed fruits, vanilla, and citrus peel oils, with the new Spanish oak making a significant contribution through oak flavors, wood spices, crunchy oat cookies, and pecans in caramel. Those sweet toffee flavors will keep you coming back for more.
