

## **The Whistler Imperial Stout Cask-Finished**

**43%**

This is so delicious that it makes you want to slip into the glass and join it. Coffee bean, orange peel, and fruit-forward dark chocolate bars, then chocolate ganache, cocoa powder, black cherry, and peppercorn. Wheat whiskey makes up 50% of the blend, and it tastes of chocolate orange and milky coffee, with a crashing wave of pepper and ginger spices. Vibrant dark fruits persist with a creamy chocolate finish. (3,000 bottles for U.S.)
