The Rare Casks Cognac
Cask (Release No. 1)**

46.7%

The cognac-cask finish finesse the intensity and concentration of the lush fruity character of this whisky. A complex interplay of peach, apricot, apple, pineapple, lemon zest, thick-cut marmalade, oak, faint spices, and dried fruit on the nose. A thick velvety mouthfeel of sweet orange, grapefruit, and lime sweeps to a climax of peppercorn and clove, then it abates with dried apricot, papaya, and marzipan-wrapped Battenberg cake. Exceptional!
