Satsuma peel, aromatic florals, and a low level of aromatic spices, then fruit syrups and a hint of olive oil on the nose: It's clean and bright, with plenty of sweetness.

The citrus, toffee, and salted-caramel sweetness of the palate are disrupted by a shockwave of pepper, leaving tangy peels, hints of nuts, and sour gooseberry in its wake before a finish of citrus and sweet barley.

—Vol. 29, #5
