Distilled in 1983, the nose emanates lemon peel, blooming gorse, gooseberry, mint imperials, butter biscuits, sanded oak, florist shop, salted caramel, and violins lying in red velvet cases. Nimble and juicy on the palate, it's an odyssey through lemon, lychee, and tangy peels, with the acidity of gooseberry riffing off caramels before honeydew, vanilla, and buttery fresh banana mingle in its final throes while it evanesces from the palate. €7,000
