

**Bardstown Bourbon Co.  
Destillaré Orange  
Curaçao Barrel-Finished  
50%**

Unmistakable orange nose of marmalade and curaçao, dripping with sweet grape jam. Despite all the initial sweetness on the palate, it quickly turns hot without really finding a moment of balance. May find fans, but generally feels like a well-intentioned experiment that ended up much too heavy-handed.

(3,000 bottles)—
