American Whiskey (No.

70.9%

Remarkably easy drinking considering its hyper-charged proof, with an equally pronounced profile of balanced sweetness. The nose exudes caramel sauce, blackberry compote, cherry, maple syrup, semi-sweet chocolate, and vanillin, with earthy notes of warehouse floor and barrel char.

The palate offers chocolate mousse, rice pudding, and cooked figs, leading to a long finish of cooked plums, dark berry tart, and chocolate-covered marshmallows.

Rich, viscous, and loaded with balanced sweet flavors
