Sweet and nutty on the nose: brown sugar, wet walnuts, Cherry Coke, pralines, and roasted peanuts. Water releases vanilla-blueberry muffins, orange peel, and cherry Pixy Stix. These notes continue onto the oily palate with blueberry and raspberry jams, cooked plums, maple syrup, and a touch of leather. The lengthy finish offers more of the same, plus black pepper and polished oak. Water brings better balance and sweeter notes of tiramisu and Christmas cake.
