The sweet aromatic nose offers confectionery notes of cherry candy, candied coconut, cherry coulis, raspberries, marzipan, and a hint of lime. Thick, jammy, and rich on the palate, with notes of almond, strawberry jam, and chocolate syrup. It goes even further with water, unlocking fresh notes of strawberries and cream, allspice, and sherried oak. The finish is equally rich, exploding with cinnamon spice, cooked red fruits, dark chocolate, and a Christmas-spice finale. (612 bottles)
