

Bushmills Black Bush

40%

This all-Ireland blend is resplendent in rich oloroso sherry aromas, whole peppercorn, concentrated raspberry coulis, and blueberry notes as the triple-distilled single malt component lets the fruits shine. Its flavors start in a tight embrace with sherry fruit, then break open expansively with plum, cherry, raisin, black grape, cinnamon, spices, and chocolate cigarillos. Now, if you're thinking you want this in your next Old Fashioned, you're probably right.
