

Glenlivet Spectra (Bottle 1)

40%

Part of a trio of 20-cl bottles, initially released without tasting notes or maturation details to present an open journey through a “spectrum” of flavors (the reveal came earlier this year). Sherry and American oak-matured Spectra 01 offers notes of hay, lemon zest, mint, pineapple, and melon. The palate reveals darker fruit notes as well as baking spice, chocolate-chip cookies, and tiramisu, leading to a creamy finish of honeyed pastries and angel-food cake.
