

MacNair's Lum Reek 12 year old

46%

The new recipe is a big step forward, with a dry nose that abounds with rich aromatic peat smoke, wiry heather moorlands, rabbi dates, raisins, and mixed peel. The palate bursts with red berry sweetness, and comes full of juicy cherry notes, dark toffee, and gentle spices. Reformulating a whisky can be a difficult decision, as some people will cherish the old version, but this truly deserves the Lum Reek name
