

Kings County Barrel Strength (Batch 14)

64%

Powerful from the onset, with pronounced rich oak, woodsmoke, charred marshmallow, caramel, dried leaves, and bitter chocolate. Big and brawny on the palate as well, offering cooked prunes and a profusion of other dark fruit notes, milk chocolate, espresso, and balanced oak influence. Dark berries and chocolate-fudge syrup mark the finish. A big, assertive whiskey that definitely needs water, but is solidly built and has plenty of character.
