

**Garrison Brothers Small
Batch Texas Straight
(2021 Release)**

47%

Dark, with a slightly musty nose, this chewy bourbon has an underlying earthiness. There are flavors of spicy gingersnap, cinnamon, and toasted pecan, along with a medicinal note and some oak-forward astringency, which lead into caramel and vanilla on the finish. This is a drink of contrasts, showing pleasant malty notes along with some harshness, though in the end there is a general lack of harmony.

—Vol. 30, #4
