Sherry Cask**

Even amid the deeper complexity of the sherry cask influence, the tropicality comes through—lemon grove and Spanish melon, set against a backdrop of dried leaves, forest floor, and pine wood.

Elegant and honeyed on the palate, with the sherry cask influence showing a winey note, banana flan, apricot, milk chocolate, orange tart, and vanilla cream. A long smooth finish brings forth baking spice, sugared lemon, banana, honeysuckle, caramel, and savory oak. Impressive.
