

Seven Stills Amongst the Trees

47%

Distilled from an aggressively hopped West Coast double IPA. Loads of fresh lemons up front, along with citrus-scented air freshener, lemon frosting, and powerful orange and clementine notes. It is similarly perfumed on the palate, where a good tanginess emerges in the form of lemon meringue, alongside sandalwood and more orange flavors. The finish is slightly soapy with decent length. Specific in its perspective and composition.
