

**The Irishman 17 year  
old Single Malt Single  
Cask (2021 Release)**

**56%**

With a well-matured sherry cask character, this whiskey works beautifully paired with Belgian chocolates after a fine dinner. Rich dried fruits, molasses, prunes, black cherry, aromatic spice rubs, walnut oil, and savory juices on the nose. Luxuriant palate of raisin, stewed fruits, black coffee, treacle, pepper, and clove, with a slight savory return. It rounds off with toffee apple, Brazil nut, and a long finish of peppercorn. Another excellent barrel this year. (600 bottles for the U.S.)
