

Miyabi 3 year old Single Grain

40%

One of the palest whiskies I've ever put in my glass. The aromas are turned down low with the scent of dried flowers, straw dolls, lemon fondant, vanilla, and a distant whiff of whole spices. Initially, there are flavors of white grape, vanilla, pepper, and clove, followed by lemon peel, bubble gum, and almonds, showing more grain character, with a lift of lemon sweetness and pepper to finish.
