

Kamet Indian Single Malt

46%

Produced in Northern India from six-row barley and matured in bourbon, sherry, and wine casks; aromas of boxed dates, white pepper, stewed apple, raisin, antique oak, blackcurrant, and hints of licorice emerge. A fruity whisky with flavors of strawberry, raspberry syrup, sugary dark honey, stewed fruits, and discarded peels in empty cocktail glasses. *Lebkuchen* hearts, brown sugar, pepper, blackberry, and black cherry follow, before melting deliciously into chocolate brownie. (6,720 bottles for the U.S.)
