

Walker's Cay Kentucky Straight

45%

Finished with sherry cask staves. Mixed berries, fruit tart, lemon oil, blueberry pie, and orange slices highlight a fruit-forward nose that is also breakfast-like with maple syrup and buttered pancakes.

More fruit on the palate in the form of honeydew, green banana, and cherry pie with a touch of milk chocolate and cinnamon. There's more spice on the finish, with some floral flavors and a balanced sweetness. [Best Values](#)
